Hi Kristine,

Upon sleeping on it, I realise that there is very little else that you are able to do at this time for this year.

I believe we are all after the very best outcomes for our students, and I want to ensure that all students have every opportunity to achieve to the best of their ability.

I would like to help ensure that the communication around this is better in the future, and if I can be of any help in ensuring the Algebra MCAT next year goes more smoothly please do not hesitate to contact me.

Kind Regards,
Jake Wills
